NEW YORK

Our flip-flops are made from 100% U.S. sourced components and assembled in our New York facility. American made from start to finish.

Our Mission:  
**Make it better**  
**Make it here**  
**Make a difference**

### **The Grid**

A modern twist on a basic flip-flop; this simple design can work with any man's wardrobe. The signature grid pattern suggests movement and the dynamic technology and innovation behind every pair of Tidal New York flip-flops. Available in four colors.

### **MINIMAL**

Paying homage to iconic artists—David Hockney and Sol Lewitt, the Tidal New York Minimal collection juxtaposes New York and L.A.'s aesthetic sensibilities. Specifically referencing Hockney's pool paintings and Lewitt's wall work, the four designs are both playful and beachy, but also a little bit artsy.
